

## Vision

Overall development of the students through quality education in the context of global knowledge society. The vision of the College is in tune with the parent institute Balasaheb Desai Foundation which provides value based quality education and taps latent potentials lying in the rural areas to generate skill based human resource for the nation building. The very motto of our management is "Education to all". An integrated all round development of students' personality is our main objective. IQAC functions as a catalyst for many activities in the College for quality sustenance and enhancement. The College has established its image as an institution working for the deprived section of society in the hilly area of Patan and Karad Talukas which is the region of valleys having heavy rainfall. Consequently, students are from poor economic background. The College recognizes the importance of environmental awareness and has taken green initiatives in its premises.

Vijayadevi Desai Senior College, Daultanagar, a centre with difference and to be an Indian 'with a difference'.

## Objectives:

1. To generate employment opportunities for the youth by fostering global competencies among them.
2. To help the students to develop their overall personality by organising various activities.
3. To prepare the students academically sound and help them to face examination for vertical progression.
4. To inculcate values like non-violence, truth, tolerance, secularism, environmental awareness and scientific temperament.
5. To provide a better teaching-learning environment.
